These work together. . .

- Digital/Film Back (GS500)
- Water Bottle (GS600)
- GripBag Padded (GS2000)
- Water Bottle (GS600)
- Meter Small (GS300)

**PADDED BELT**

A place to carry it all. If you are of a very large frame you can get an extender. If petite, we suggest the Trim belt GS4001. You can attach any of our GripStrip or you can thread the web through and put on the favorite "accessory" case of your choice.
