 Our Belt or the others

**These work together. . .**  
 Padded Grip Belt (GS4000)  
 Trim Grip Belt (GS4001)

### WATER BOTTLE

Water, coffee, sodas anything to keep you hydrated on and off the field. Can also be used to hold your favorite beverage while scouting a location or knocking around with the client. We have also found that many of the "coffee" mugs work great for that early morning shoot.

### What Fits . . .

Padded Belt

Trim Belt
